As Patriotic Instructor, you have been appointed to teach obligation and respect to our Auxiliary, our Youth and our Community. You have the opportunity and obligation to teach new members of our Auxiliary our rituals and understanding of our protocol. You can help them show **“Unwavering Support for Uncommon Heroes.”**

There are many ways to help others recognize their own Patriotism, and bring that out on a daily basis. Not only can we teach honoring our flag, but also other ritual observances related to various holidays such as displaying flags on the headstones of our fallen soldiers on Memorial Day. These and other rituals help the Auxiliary demonstrate to our members and the larger community that we are **“Proud of Our Past, Committed to Our Future.”**
